- authorize County Offices to mail or FAX FSA-578's and maps to crop insurance companies and agents, if requested.

Subparagraph 510 B has been amended to clarify that one FSA-578 producer print and map photocopy may be provided to crop insurance companies, agents, and LA's at **no cost**. However, County Offices shall continue to charge for subsequent copies.

Part 5.5 Data Sharing**508 Providing Data to Multiple Peril Crop Insurance Companies, Agents, and LA's - General Information****A Introduction**

This part provides procedure for making FSA-578 producer prints and hard copy maps
--available to private crop insurance companies, agents, and LA's.--

Note: See 4-RM for requests for information made in connection with the following:

- claims and other quality control audits
- discrepancy reviews
- suspected program abuse, misuse, or fraud reviews.

B County Office Responsibilities

--County Offices shall provide timely information to crop insurance companies, agents, and--
LA's according to the provisions of this part.

Notes: County Offices shall only provide 1 copy of the FSA-578 producer print or hard copy map for the farm unless previous years are requested in FSA-426, item 10, or the farm acreage report is **not** complete.

Follow subparagraph 510 B for requests for additional copies.

C Unlawful Disclosure

--County Offices shall ensure that crop insurance companies, agents, and LA's provide--
proof that the producer has a policy with the agent or company requesting producer information. When a third party submits a FOIA request for information that is subject to the Privacy Act, and the information is **not** required to be released under FOIA, the material may **not** be disclosed without prior written approval of the individual on whom the record is maintained.

--508 Providing Data to Multiple Peril Crop Insurance Companies, Agents, and--
LA's - General Information (Continued)

D Conflict of Interest

County Offices shall be aware of the "Conflict of Interest" policy in the 2005 SRA. According to SRA, Section F, 4, Conflict of Interest, paragraphs v and vi, the insurance company and its service providers shall **not** permit their sales agents, agency employees, sales supervisors, or any relative of its sales agents, agency employees, or sales supervisors to be involved in loss adjustment activities in a county or adjoining county where the agent, agency employee, or sales supervisor performs sales functions (except receipt and transfer to the insurance company of a loss), including the following:

- advising or assisting the policyholder in any manner in preparing the claim and the determination of the indemnity, including but **not** limited to, whether the LA correctly applied loss adjustment procedures
- any other function reserved for LA's in the procedures.

Example: A policyholder filing a claim of crop loss notifies his/her sales agent. The sales agent provides notification of the policyholder's claim filing to the insurance company. The insurance company assigns a crop LA to provide loss adjustment procedures for the policyholder. The sales agent shall no longer be involved with the policyholders crop loss claim except as provided in the SRA, like simplified claims.

*--510 Crop Insurance Company and Agent Requests

A Providing Information to Crop Insurance Companies and Agents

Crop insurance companies and agents may:

- request FSA-578 data and map photocopies to assist them in insuring a producer under a policy or plan of insurance
- be provided copies of FSA-578 producer prints and maps provided the crop insurance company and/or agent provides proof that they are authorized access to the producer's records.

Acceptable proof includes 1 or more of the following for the current crop year:

- producer signed policy document
- producer signed transfer/application policy document
- Schedule of Insurance
- Notice of Acceptance/Policy Confirmation
- Summary of Insurance Protection
- a signed statement from the producer authorizing release of documents to the named crop insurance company and/or agent.

Note: FSA-426 is currently being revised to accommodate crop insurance company and agent requests. However, companies and agents **shall not** use FSA-426 to request FSA-578 and map photocopies until the revised FSA-426 is issued.

Information requested by crop insurance companies and/or agents shall be provided in a timely matter at **no charge**. County Offices may mail or FAX the information requested to crop insurance companies and agents, if requested.

Note: County Offices shall only provide 1 copy of the FSA-578 producer print or hard copy map at no charge. Follow subparagraph B for requests for additional copies.--*
